

Privacy policy Gastreatment Services (GtS) and GtS Construction (GtSC)

GtS and GtSC have a strict privacy policy. We take your privacy very seriously and take good care of your personal information. This privacy policy applies to the use of the website as well as all transactions and agreements you have with GtS and how we deal with the details customers, partners and of prospects.

Protection personal data

All (personal) data collected via telephone, email and in other ways are voluntarily obtained and stored in our own client management system.

Use of personal data

The collected data can be used to contact our clients, partners and prospects:

- About running projects
- About possible new projects
- About new products and services of GtS and GtSC
- About other important things concerning GtS and GtSC

GtS and GtSC do not provide personal data to third parties without permission of the owner, unless this is necessary to be execute agreements, transactions and services.

Dealing with personal data by employees

Persons working for GtS and GtSC have strict confidentiality of all information processed within GtS and GtSC. This confidentiality applies without prejudice to our suppliers.

Employees of GtS and GtSC will never share personal data obtained or made clear by the customer with third parties, unless this is necessary to be able to execute agreements, transactions and services.

Communication

When you send e-mail or other messages to us, we may keep those messages. Sometimes we ask you for your personal details that are relevant to the situation. This makes it possible to process your questions and answer your requests. The data is stored on secure GtS servers or those of a third party. We will not combine this information with other personal information we have.

Storage and security data

The collected data are stored in the client management system of GtS and GtSC. This system is highly secure and protected. In no way the data will be made available to third parties. They will not be lent, rented or sold, nor made public in any other way. Your personal data is stored carefully and no longer than is necessary for the purpose for which it was processed and as long as the law obliges us to keep your data.

Right of inspection and modification

You have the right to inspect your data at any time. Upon request, GtS and/or GtSC will change your data or remove it from its file. You can do this by contacting us.

Applications

If you provide your data to GtS or GtSC for an application procedure, your personal data will be recorded in order to assess your suitability in the context of recruitment & selection. We process the data we have received from you or via a recruitment and selection agency. The data that you provide to us in the context of an application procedure will be archived by us with due observance of the statutory retention periods. At the request of the applicant, we keep personal data for 1 year. A confidentiality statement applies during the application procedure.

Website & Cookies

The GtS website does not collect cookies and is protected with an SSL certificate.

Possible abuse

You may find a security vulnerability or you suspect that the security of your personal information has not been properly safeguarded. To prevent possible damage, we ask you to contact GtS directly. GtS has procedures to handle these reports adequately and carefully in accordance with the Personal Data Protection Act or General Data Protection Regulation.

Questions and feedback

GtS regularly checks whether GtS and GtSC comply with this privacy policy. If you have questions or comments about this privacy policy, please contact us:
